OFFICE OF PETITIONS

In re Application of	:	
Debecker, et al.	:	
Application No. 10/792,193	:	DECISION ON PETITION
Filed: March 3, 2004	:	
Attorney Docket No. VE.11 496/C	:	

This is a decision on the petition filed November 6, 2006, which is being treated as a petition under 37 CFR 3.81(b) to correct the name of the assignee on the front page of the above-identified patent by way of a certificate of correction.

The petition is **DISMISSED**.

Petitioner requests issuance of a certificate of correction in the name of "Advanced Lightweight Constructions Group B.V."

37 CFR 3.81(b), effective June 25, 2004, reads:

After payment of the issue fee: Any request for issuance of an application in the name of the assignee submitted after the date of payment of the issue fee, and any request for a patent to be corrected to state the name of the assignee, must state that the assignment was submitted for recordation as set forth in § 3.11 before issuance of the patent, and must include a request for a certificate of correction under § 1.323 of this chapter (accompanied by the fee set forth in § 1.20(a) and the processing fee set forth in § 1.17(i) of this chapter. *See also* MPEP 1481.01.

The petition is dismissed because petitioner has not submitted evidence that an assignment to "Advanced Lightweight Constructions Group B.V." was submitted for recordation prior to issuance and U.S. Patent and Trademark Office assignment records do not disclose that an assignment to "Advanced Lightweight Constructions Group B.V." has been recorded.
